About

I am a researcher in applied cryptography at the ENCRYPTO research group at TU Darmstadt.

Education

TU Darmstadt <i>M.Sc. in Computer Science</i> ◦ Grade: 1.2	<i>October 2022 – May 2025</i>
TU Darmstadt <i>B.Sc. in Computer Science</i> ◦ Grade: 1.4	<i>October 2018 – September 2022</i>

Employment

Student Research Assistant <i>ENCRYPTO Research Group</i> ◦ Implemented protocols for Private Function Evaluation, Secure Multiparty Computation, and more. Contributed Scientific Writing and Benchmarking.	<i>Darmstadt, Germany</i> <i>2021-2024</i>
Student Teaching Assistant <i>ENCRYPTO, CAC, CRYPTOPLEXITY</i> ◦ Assisted in teaching the courses "Formale Methoden im Software Entwurf", "Einführung in die Kryptographie", and "Cryptographic Protocols".	<i>Darmstadt, Germany</i> <i>Summer 2021 + 2024,</i> <i>Winter 2021 + 2022</i>
